THE BUTTERFLY
(வண்ணத்துப் பூச்சி)

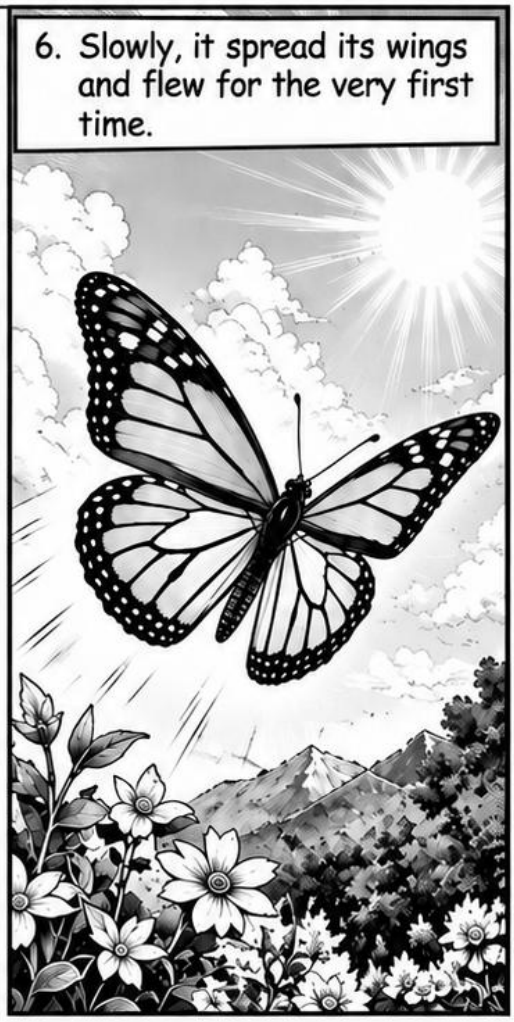

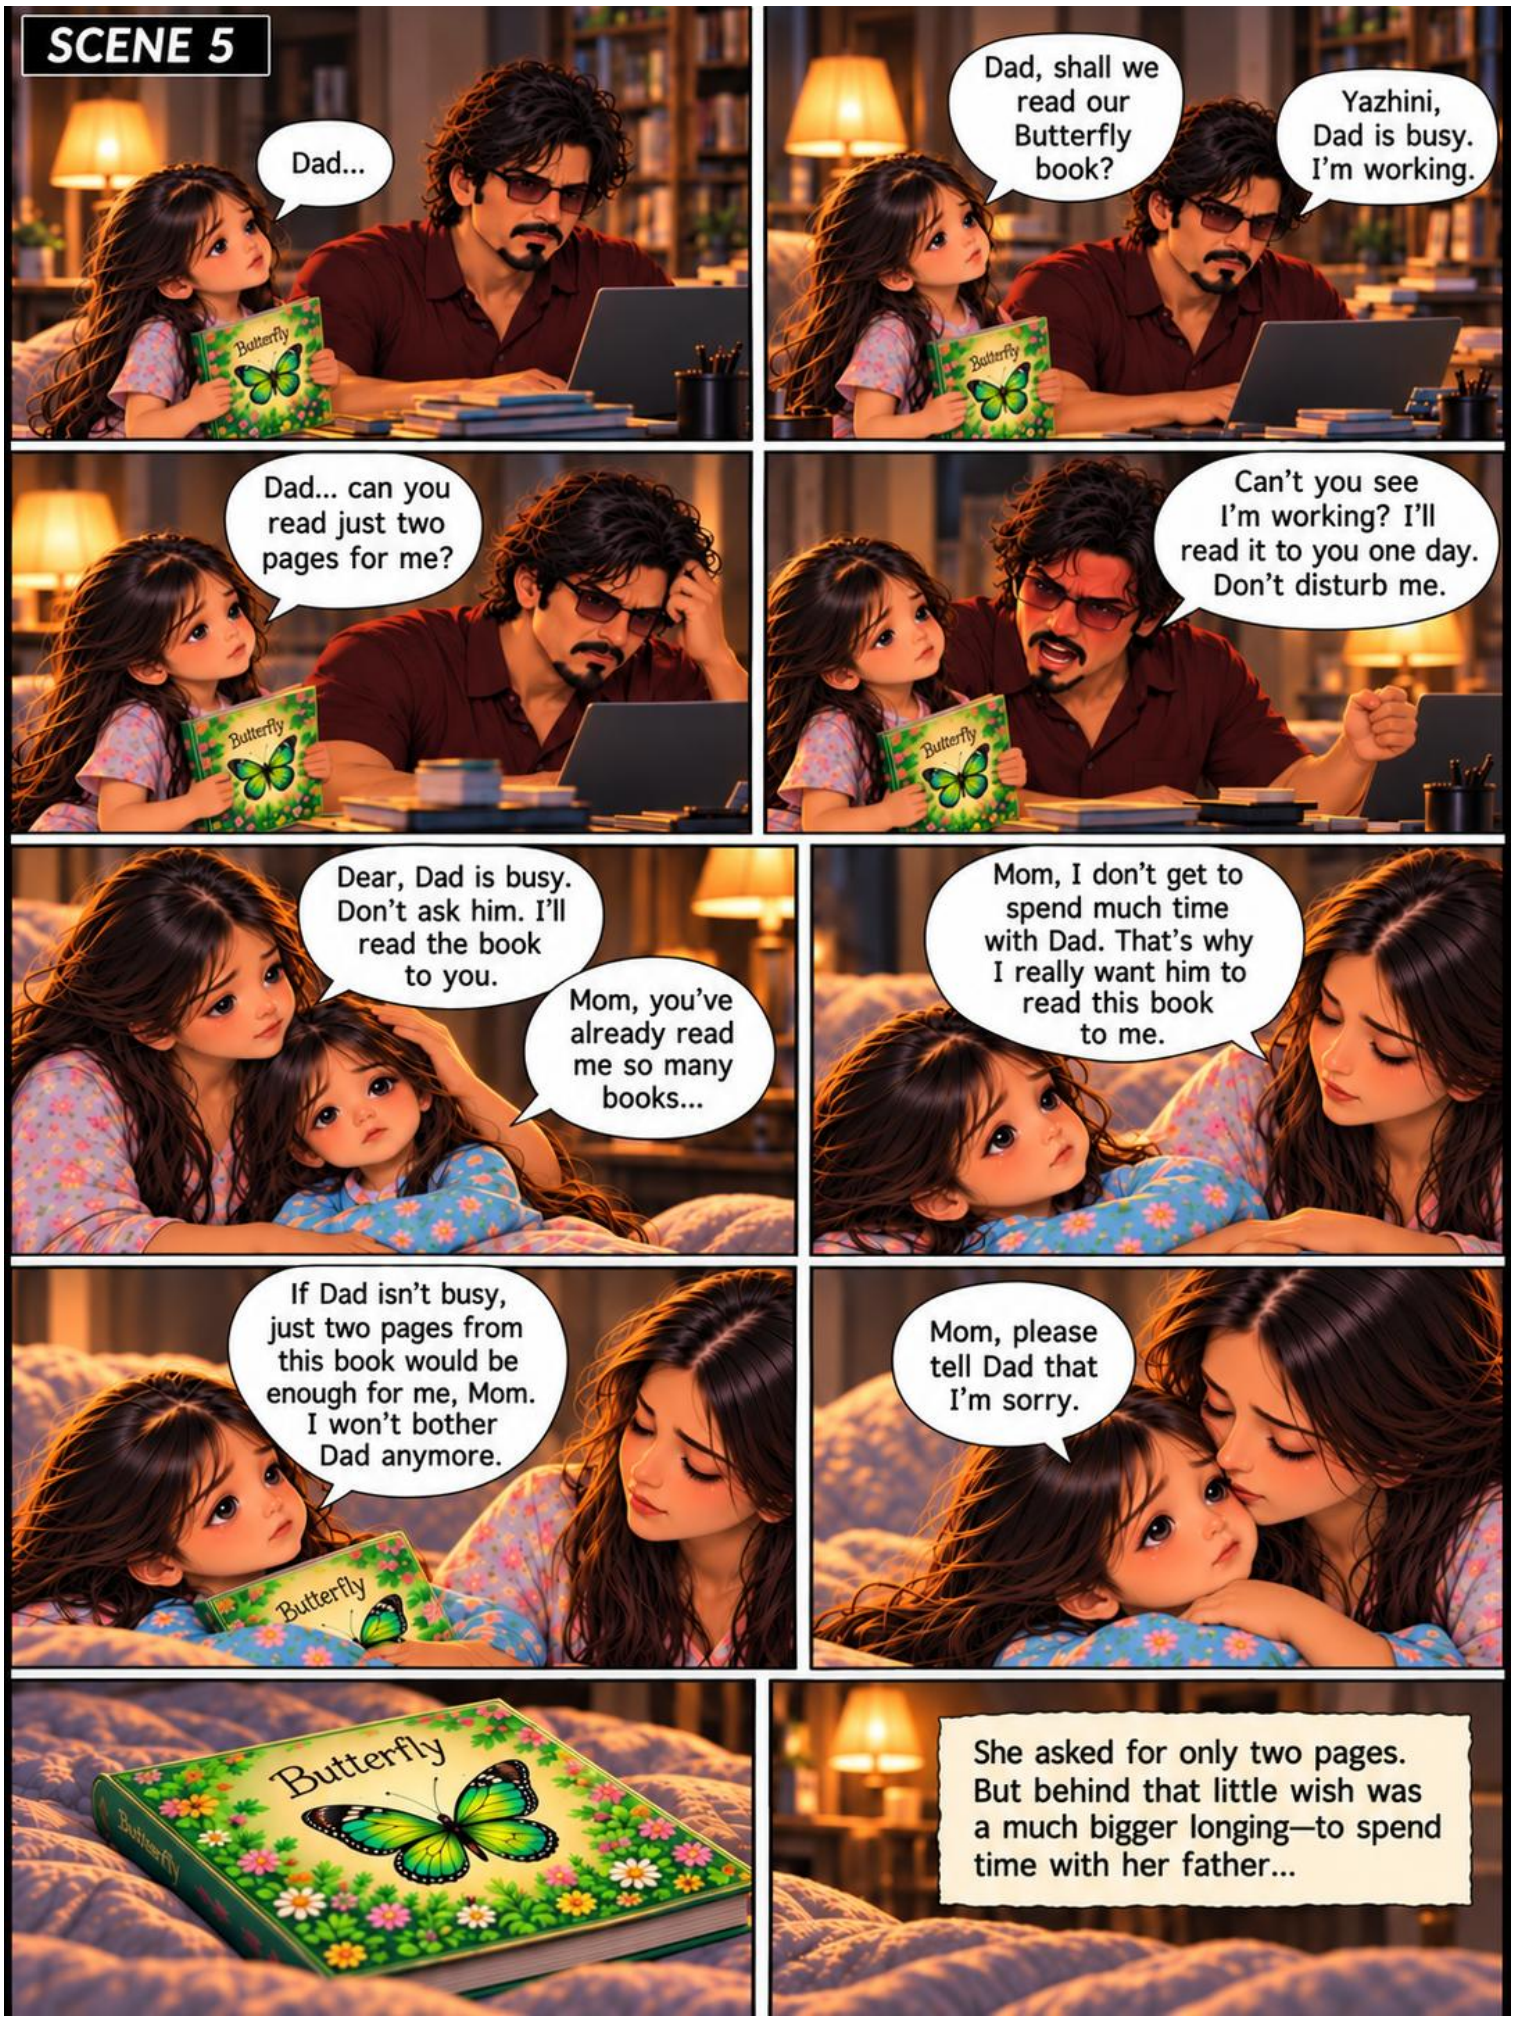

SCENE 2
Yazhini, is it your birthday today? What do you want as a gift?
Mom, I want to get a gift from Dad!
I've brought a special gift for my little girl.
What is it, Dad? Can I open it now?
Go ahead and open it, dear.
Wow! It's a 'Butterfly' book, Dad!
The Butterfly
Dad, I want you to be the one to read this book to me. Even if you read just two pages a day, that would be enough for me.
Of course, sweetheart. I'll read it to you.
Shall we cut the cake now?
Yes, Mom. Call Dad too!
Hello?
?

SCENE 3
What happened? Did someone from the office call you?
Yes... there's a major project problem at the office.
To finish that, I need about a week's time.
Can that be completed within a week?
I can't say for sure about my job.
Home loan
Car loan
Our family responsibilities
There's the home loan... the car loan... our family responsibilities... That's why I can't take any risks with my job.
If I can complete this project successfully, my promotion will be confirmed. Until then, I need about a week's time.
Don't worry about it. You've already worked so hard. Get some rest now. I am here with you.

SCENE 4

Not today, dear. I'll read it to you tomorrow.
DAY 3
Dad, can you read just two pages for me?
Dear, Dad doesn't have time. Just one more day.
DAY 4
Dad... do you have a little time today?
Yazhini, Dad is busy, dear.
DAY 5
Dad... when will we read our Butterfly book?
Just one more day, dear.
Five days had passed.
Every single day, Yazhini waited, hoping her father would keep his promise...

SCENE 5
Dad...
Dad, shall we read our Butterfly book?
Yazhini, Dad is busy. I'm working.
Dad... can you read just two pages for me?
Can't you see I'm working? I'll read it to you one day. Don't disturb me.
Dear, Dad is busy. Don't ask him. I'll read the book to you.
Mom, you've already read me so many books...
Mom, I don't get to spend much time with Dad. That's why I really want him to read this book to me.
If Dad isn't busy, just two pages from this book would be enough for me, Mom. I won't bother Dad anymore.
Mom, please tell Dad that I'm sorry.
Butterfly
She asked for only two pages. But behind that little wish was a much bigger longing—to spend time with her father...

SCENE 6

Vel...
Yazhini asked me to tell you that she's sorry.
Why?
She thinks she disturbed you while you were working.
She said she won't disturb you anymore.
I was under a lot of pressure because of the project. The deadline is tomorrow... That's why I spoke to her so harshly.
I understand, Vel. I know how much pressure you're under. But all Yazhini wants is to spend a little time with you. That's all.
Just look at her face, Vel... When you see that longing in her eyes, you'll slowly forget all the worries in your heart. Don't worry, Vel. Everything will be alright.
I'm sorry, dear...

That night, Yazhini fell asleep... but her words had awakened something deep inside Vel's heart...

Manager (Phone): Good job, Vel! You've successfully completed the project. Your promotion and salary increment have also been confirmed. Congratulations!
Thank you, sir. Thank you very much, sir.
I should go home early today... I want to talk to my daughter...
I'll reach home a little early today... I haven't been spending time with my daughter...
Dear... Today, Daddy will definitely read this book to you.
Butterfly
Where is my little girl?
Yazhini has gone to the house opposite to play, Vel.
What happened? You came home early today. Is everything okay at the office?
I'he project has been completed successfully. My promotion and salary increment have also been confirmed!
Really, Vel? I'm so happy! Your hard work all these days has finally paid off.

OPERATION THEATRE
Dear... Daddy is waiting for you.

SCENE 11
The operation was successful. However, your daughter Yazhini has suffered a severe head injury. There was bleeding inside her brain. We have controlled the bleeding through surgery, but there is still swelling in her brain.
Yazhini is now in a private ICU room. She is breathing with ventilator support. Her heart rate and other vital signs are stable. However, she is still unconscious.
We cannot say exactly when Yazhini will regain consciousness. The next few days are very critical. We will monitor her continuously and provide the best possible treatment. Please stay strong.
Doctor... will my daughter wake up?
We will do everything we can. For now, we need to monitor her condition closely. Please don't lose hope.

Yazhini...
Daddy is here, dear.
Do you remember, dear?
You asked me for so long
to finish reading this book
to you...
I had promised you...
but I kept that promise
far too late, dear.
Butterfly
The butterfly, struggling
in pain, one day noticed
a tiny opening.
Through that tiny
opening, it slowly
made its way out.

The butterfly that came out spread its wings... and flew freely once again.
I should have spent more time with you, dear... I made you wait so long for me to read this book...
All these days, I kept running after money and work. I thought I was building a good life for you... but I missed the beautiful moments I should have spent living that life with you.
I wanted to be here with you... but now, you are no longer here with me.
I can no longer hear your little voice... I can no longer hold your tiny fingers... I can no longer see your beautiful smile...
I should have been a good father to you while I had the chance. But I lived without you... Please forgive me, dear.

This is not just a comic story...

It is based on a true incident that happened during my childhood. An incident that deeply affected my heart.

I truly believe that no child or parent should ever have to experience this kind of pain in their lifetime.

No matter how difficult life may be, parents should spend as much time as possible with their children. Their love, care and presence mean the whole world to their children.

Money can be earned again… but the time we have lost, and those beautiful moments we were meant to share with our loved ones, can never be brought back.
